Program Hours: 2:45 pm – 6:00 pm

There is a $100 Annual Registration Fee. One month tuition deposit will be credited to May 2024 invoice. 30 day written notice is required for program termination.

Program Description

Creativo! teachers pick up students at Edgebrook School at 2:45 pm and walk 2 blocks to our Nature Explore Outdoor Classroom for healthy snacks, nature activities, analytical story time and loose-parts play. We will also hike in the forest preserve and play at local playgrounds. Indoor activities include STEM, arts and crafts, and both child and teacher directed play.

In 2011, Creativo! launched Chicago's first Nature Explore Outdoor Classroom certified by the Arbor Day Foundation. Outdoor education enriches brain development, improves school performance, promotes physical health and performance, fosters social skills and self-efficacy, stimulates curiosity, imagination, and sense of wonder, helps develop positive civic attitudes and behaviors, increases attention span, and sparks joy.
